DETAILED ACTION

Allowable Subject Matter

1. Claims 1-28 are allowed.
2. The following is an examiner's statement of reasons for allowance: claims 1-28 have been allowed because the prior art of record does not disclosed or suggest a manually actuated pump sprayer comprising a plunger head including a discharge orifice and being reciprocable relative to said pump sprayer; an overcap disposed on said plunger head and being rotatable relative to said plunger head, said overcap overlying said discharge orifice in a condition of non-use and including an opening disposable in alignment with said discharge orifice in a condition of use; and a container closure for affixing said plunger head and said overcap to the container, said plunger head being axially reciprocable relative to said container closure when in a first orientation and being axially restrained relative to said container closure when in a second orientation..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
